Description :

PDF-73d3c | The Anglosphere refers to a community of English-speaking states, nations, and societies centered on Australia, Canada, New Zealand, the United Kingdom, and the United States, which has profoundly influenced the direction of world history and fascinated countless observers. This book argues that the origins of the Anglosphere are racial. Drawing on theories of collective identity-formation and fra... *The Anglosphere: A Genealogy of a Racialized Identity in International Relations*
