Description :

PDF-9a1a8 | Genealogy is one of the most popular hobbies on the Internet. Genealogists love to share information about their families, and the very nature of Internet fosters this practice. Probably because there is so much free information on the Web, many individuals have formed the false conclusion that "if it is on the Internet, anyone has a right to use the information as he/she sees fit." Despite the be... *Carmack's Guide to Copyright & Contracts*
