Description :

PDF-96304 | Evidence Explained is the definitive guide to the analysis and citation of historical sources. It begins with a simple question: Why do we invest so much of our energy into the citation of sources? and the intriguing answer: Because all sources are not created equal. Evidence Explained is built on this simple question and answer. According to the author, there are no historical resources we can t... *Evidence Explained: Citing History Sources from Artifacts to Cyberspace, 2nd Edition*
