Description :

PDF-2ff3a | Evidence Explained is the definitive guide to the citation and analysis of historical sources. It begins with a simple question: Why do we invest so much of our energy into the citation of sources? Followed by the intriguing answer: Because all sources are not created equal. As a citation guide, Evidence Explained is built on this simple question and answer. According to the author, there are no h... *Evidence Explained: Citing History Sources from Artifacts to Cyberspace*
