Description :

PDF-c1d85 | Before you start to celebrate, remember that you need to win first. Winning is an important part of life whether it is in sports, business, school, or personal success. This book speaks about why winning is important in life. A lot of us have celebrated too early and did not commit to winning before celebrating a victory. There are many different distractions in life. There are many things that wi... *Win First, Celebrate Second*
