Description :

PDF-ca219 | This richly illustrated and engagingly written book tells the story of the Chesapeake and Ohio Canal from its origins in George Washington's decision to link the nation's new capital with the western frontier; through the beginning of construction in 1828 (fatefully, on the same day that the cornerstone of the Baltimore and Ohio railroad was set); to the "completion" of the project. Planned to go ... *Home on the Canal (Maryland Paperback Bookshelf)*
