Description :

PDF-e2be3 | Despite their tremendous gains in business and politics, many women still find it difficult to communicate successfully with the men in their lives. Women today are still four times more likely to be interrupted. "It would be wonderful if people listened better, " says communications expert Marian Woodall, "But that's something you can't change" However, by learning to talk better, you can get the... *How To Talk So Men Will Listen*
