Description :

PDF-23ea2 | Volume I contains the lectures of Fall 1964 through Fall 1967, in which Sacks explores a great variety of topics, from suicide to children's games to Medieval Hell as a mnemonic device to pronouns and paradoxes. But two key issues emerge: rules of conversational sequencing - central to the articulation of interaction, and membership categorization devices - central to the social organization of kno... *Lectures on Conversation, Volumes I and II*
