Description :

PDF-36db5 | The Pen & Sword guide to the census is detailed, accessible and authoritative, and it is one of the most comprehensive on the market. It has been written with the family historian in mind, and it is packed with advice on how to explore and get the most from the census records. As well as describing the modern censuses, it provides information on the less-known censuses dating from before 1841, and... *Tracing Your Ancestors Using the Census (Family History (Pen & Sword))*
