Description :

PDF-d44b3 | From the earliest days of the United States, millions of Americans have served their country in the military. Indeed, most families have seen one or more members serve in America's armed forces. For this reason, genealogists and others wisely look to military records for information needed to enhance their research. Enlistment forms, muster rolls, pension applications . . . records created as a re... *U.S. Military Records: A Guide to Federal & State Sources, Colonial America to the Present*
