Description :

PDF-478d5 | One of the most popular hobbies in the United States is Genealogy. Genealogists dedicate a great deal of time and effort to uncovering their past and learning more about those who preceded them. Their research typically involves hours on end, in the process finding more about geographical locations, history, events, people, timelines, stories, vital records, land records, facts, and more. But what... *Your Family. Your Photos. Your Stories.: Preserving and Sharing your Family History*
